1. Be certified by C.E.T.B. and file copy with Clerk of Courts and Court Administration
2. Post a bond with the Clerk of Courts Office in a sum of \$2,500 with the condition for just and faithful discharge by the constable of the duties of the office. The bond shall be held in trust for the use and benefit of persons who may sustain injury by reason of a constable's neglect of duty. Proof of the filing of a bond must be provided to the Court Administrator's Office by said Constable.
3. Maintain a policy of professional liability insurance providing coverage for the performance of judicial duties with a minimum coverage of \$250,000 per incident and a minimum aggregate of \$500,000 per year. 4. Maintain a valid and current Pennsylvania driver's license and required financial responsibility (automobile insurance) on any vehicle used for the performance of judicial duties. Proof of licensing and insurance must be provided to the Court Administrator's Office as required by that office. Absence of a driver's license does not preclude a constable who is otherwise approved by the Court to perform judicial duties from working with a constable pursuant to 44 Pa. C.S.A. § 7161(c) provided the unlicensed or uninsured constable does not operate a motor vehicle. However, unless accompanied by another constable who maintains a valid and current Pennsylvania driver's license and required financial responsibility, a constable who does not possess a valid driver's license or required financial responsibility shall not perform judicial duties.
5. Maintain current address information with the Clerk of Courts and the Court Administrator's Office. Current contact information shall include constable's current address, telephone number, and cell phone number. Contact information shall also include information as to any other communication equipment utilized by the constable to perform judicial duties (i.e. pager, fax machine).

Office with proof of certification or qualification to carry or use firearms as provided by 44 Pa. C.S.A. § 7148.

7. Complete and provide the Chief Clerk of the respective county, all vendor authorization documents, including the production of a tax identification number as required by local, state, or federal law or policies and procedures of the County.
8. The acknowledgment shall be in the form attached hereto as "Exhibit A."
9. Provide the Court Administrator's Office with an executed acknowledgment evidencing the constable has received a copy of the Constable Manual for the 26th Judicial District and understands the provisions and terms set forth in the manual governing the performance of judicial duties. The acknowledgment shall be in the form attached hereto as "Exhibit A."

B. Authorization to Perform Judicial Duties - No Magisterial District Judge, nor any other Court Official, shall request or otherwise authorize a constable to perform judicial duties, nor shall the Chief Clerk authorize payment of fees for a constable performing judicial duties, unless the constable has been designated by the Court Administrator's Office as a constable authorized to perform judicial duties.

1. The Court Administrator shall maintain a list of all constables who are authorized to perform judicial duties within the 26th Judicial District. The Court Administrator's Office shall publish the list with all Magisterial District Judges in the 26th Judicial District; any other Court office utilizing constable services in the performance of judicial duties; the County Clerk and the Clerk of Courts Office on a regular basis. The list shall be updated and published at least annually by Court Administration. In the event the privilege of a constable to perform judicial duties is revoked by the Court, the Court Administrator's Office shall promptly notify the identified offices of the same.
2. The Court Administrator's Office shall develop policy and procedure to effectuate and ensure a constable's compliance with the requirements set forth in Section A above.

C. Removal of Authorization to Perform Judicial Duties - Although a constable may only be removed or disciplined for acts of malfeasance or misfeasance upon petition of the District Attorney or an individual citizen (see 13 P. S. § 31), a constable's authorization to perform judicial duties pursuant to Section B above may be revoked at any time pursuant to the authority of the President Judge.

1. A constable's authority to perform judicial duties shall be revoked in the following circumstances:

a. a constable permits his/her compliance with requirements of Section A above to lapse;

b. the constable commits a breach of the duties or requirements of this manual including, but not limited to, the Constable Code of Conduct as set forth in Section VI herein;

c. the constable commits any violation of the law while in the performance of judicial duties or is otherwise convicted of criminal conduct which places the integrity or honesty of the constable at issue;

d. the constable commits any act which jeopardizes public trust in or brings disrespect to the Court.

2. Court Officials who know, or have reason to believe, that a constable has committed a violation of the Code of Conduct or the provisions of the Constable Manual shall promptly inform the Court Administrator's Office of the same.

3. All complaints of constable misconduct, including complaints related to the failure to comply with the Constable Manual, including the Constable Code of Conduct, shall be promptly investigated by the Court Administrator. The results of the investigation shall be provided to the President Judge for further action, if any.

D. Minimum Requirements - Compliance with the provisions of this manual does not guarantee a constable the right to perform judicial duties for a Magisterial District Judge or Court Official. Rather, the provisions of this section set forth the minimum requirements which must be complied with before a constable may be utilized by a Magisterial District Judge or Court Official to perform judicial duties as independent contractors. Magisterial District Judges and other Court Officials retain the right to assign constable work within their reasonable discretion provided the utilized constable is otherwise in compliance with this section.

III. WARRANT PROCEDURES

- A. **Service, Courts, Generally** – The Courts shall have the discretion to distribute warrants and other legal process to a constable of their choice provided a constable is otherwise authorized by the Court Administrator's Office to perform judicial duties.
- B. **Service, Sheriffs** – The Sheriffs of Columbia and Montour Counties shall have the discretion to distribute warrants and other legal process to a constable of their choice provided a constable is otherwise authorized by the Court Administrator's Office to perform judicial duties.
- C. **Summary Warrants** - The following procedures shall apply to the issuance and service of summary warrants.
1. A Magisterial District Judge possesses the exclusive right, subject to the authority of the President Judge, to distribute warrants issued by them to a constable of their choice provided a constable is otherwise authorized by the Court Administrator's Office to perform judicial duties. Magisterial District Judges shall issue warrants where appropriate pursuant to the Pennsylvania Rules of Criminal Procedure and prevailing law.
 2. Upon issuance of a warrant, the Magisterial District Judge may assign the warrant to a constable authorized to perform judicial duties by the Court Administrator's Office. A copy of the warrant shall be retained by the District Judge and shall contain a designation as to the date of issuance and the constable to whom it was assigned. Unless the warrant is unassigned, no authorized person other than the assigned constable shall serve a warrant within 30 days of the initial issuance of the warrant by the Magisterial District Court except as follows:
 - a. The subject of the warrant is in the custody of the Sheriff's Office as a result of contact between the subject and the Sheriff's Office unrelated to the warrant in which case a duplicate warrant may be issued to the Sheriff's office. In the event the Sheriff's office serves such a warrant, the Magisterial District Judge, upon notice of the same, shall promptly alert the assigned constable that the warrant has been served; or

- b. The subject of the warrant is in the custody of a constable who has exercised custody pursuant to another warrant issued and served in compliance with this manual in which case a duplicate warrant may be issued to the constable who has custody of the subject; or
 - c. The subject of the warrant is in the custody of a municipal or state police agency for any reason and the municipal or state police agency requests the assistance of a constable in service and execution of the warrant. If the warrant is assigned by the Magisterial District Judge to a specific constable, the Magisterial District Judge shall attempt to contact that constable for service of the warrant. The constable shall return the certified copy of the warrant to the Magisterial District Court evidencing service of the warrant.
3. During operating hours of the Magisterial District Court, if a Constable, Sheriff, Municipal or State Police Officer has reasonable belief they can serve a summary warrant that the requestor is authorized to serve within 12 hours, that person shall contact the issuing Magisterial District Court to obtain a copy of the warrant.
4. All assigned, unserved summary warrants shall be returned to the issuing authority after the 30th day following issuance of the warrant. A constable or other law enforcement agency shall not request a duplicate warrant unless imminent service of the warrant is anticipated. For purposes of this paragraph, imminent service requires a good faith belief as to the whereabouts of the subject of the warrant and the likelihood that the warrant will be served within the immediately subsequent 12-hour period.
5. When a warrant is issued pursuant to Pa. R. Crim. P. 430, in service of the warrant, the constable shall either:
- a. Accept a signed guilty plea in the full amount of the fines and costs as stated on the warrant;
 - b. Accept from the defendant a signed not guilty plea in the full amount of the collateral stated on the warrant; or
 - c. If the defendant is unable to pay the full amount of the fines and costs or collateral, cause the defendant to be taken without unnecessary delay before the issuing authority during normal court hours and before the duty Magisterial District Judge during non-court hours.

6. When a constable accepts fines and costs or collateral, the constable shall issue a receipt to the defendant setting forth the amount of the fines and costs or collateral received and promptly return a copy of the receipt, signed by the defendant and constable, to the proper issuing authority. Constables must return the warrant and any pleas, fines, costs, and/or restitution collected to the issuing authority no later than the close of business during the same business day or if served after normal court hours on the next business day. Constables should make every effort to resolve service of the warrant as per Pa. R. Crim. P. 430 before physically transporting the defendant to the proper issuing authority or for commitment to Columbia or Montour County Prison.
7. A constable shall immediately notify the issuing authority (MDJ) following service of a summary. A constable shall not receive the payment of fees for any judicial duty related to the service of a summary warrant unless the issuing authority has been immediately notified of the service of said warrant.
8. A constable shall not serve a summary warrant issued pursuant to Pa. R. Crim. P. 430 at a residence between 10:00 p.m. and 6:00 a.m. or after 10:00 p.m. on the day preceding 6:00 a.m. through the day following the legal holiday.
9. A constable shall not attempt to serve a summary warrant or take the subject of such a warrant into custody unless in possession of a valid warrant or duplicate thereof.

D. Return of Unserved Warrants

1. A constable or law enforcement agency who has been issued a duplicate of a warrant pursuant to this chapter shall return the duplicate of the warrant to the issuing authority no later than 12 hours after the constable's receipt of the duplicate in the event the constable or law enforcement agency is unable to effectuate service within that time period. Failure to return the copy/duplicate of a warrant within the time period set forth herein may, at the discretion of the President Judge, result in a revocation/restriction of one's right to perform judicial duties.
2. The issuing authority shall develop a policy to ensure compliance with this requirement within their office which shall include, at a minimum, a procedure to alert the Court Administrator's Office in the event of a constable's non-compliance.

3. A constable shall not, under any circumstance, make a duplicate or copy of any warrant for purposes of service of the duplicate or copy.

E. Warrant Service on Incarcerated Parties

1. Unless expressly approved in advance by the Issuing Authority, President Judge or Court Administrator, warrant service on parties already incarcerated or otherwise in the custody of prison officials is not authorized and will not be compensated.
2. The Court may authorize payment in Summary Warrant matters in the event, through the efforts of a constable seeking a defendant, the constable learns that a defendant is incarcerated in a County jail outside of Columbia and Montour County but within the Commonwealth, and relays that information to the issuing authority.
 - a. The Magisterial District Judge must indicate that he/she was unaware that the defendant was incarcerated in a County jail outside of Columbia and Montour County but within the Commonwealth when the warrant was issued.

IV. COMPENSATION

- A. **Preliminary Provisions** - Constables shall be paid fees in compliance with a fee schedule set forth in 44 Pa. C.S.A. § 7161 or subsequent legislative act or rule of court. Constables shall not be paid a fee for any judicial act committed in violation of the provisions of this manual. Fees shall not be paid unless the request for fees is made in compliance with the procedures set forth in this chapter.
- B. **Reimbursement Procedure** - Constables shall comply with the procedures of this section in seeking reimbursement for services. A request for reimbursement of services not in compliance with the procedures of this section may be denied on that basis.
1. Court Warrants/Process/Transportation Orders - Payment for the performance of judicial duties related to a Domestic Relations warrant, a bench warrant issued by the Court of Common Pleas for failure to appear in a criminal prosecution (CR docketed case), for failure to appear for a contempt proceeding (MD docketed case) and for transportation to a Court proceeding shall be submitted directly to the Court Administrator's Office on the form prescribed, from time to time, by the Court Administrator's Office. The Court Administrator, or designee, shall execute the fee request when appropriate and forward the same to the Chief Clerk for payment.
 2. Magisterial District Judge Warrants/Process/Transportation Orders - Payment for the performance of judicial duties related to the issuance of a warrant, other process or transportation order by a Magisterial District Judge shall be submitted to the Magisterial District Judge who authorized the service on the form prescribed by the Court Administrator's Office or the Administrative Office of the Pennsylvania Courts. The Magisterial District Judge shall acknowledge receipt of the request by executing the same and promptly forwarding the request to the Chief Clerk, or their designee for payment .
 3. All reimbursement forms shall be completed in their entirety. A form which is incomplete will be returned to the constable within seven business days of the form's receipt by the Court Administrator's Office and shall be considered as not having been filed for purposes of the time period set forth in Section IV (C) of this manual.
- C. **Time of Invoice** - Request for payment of all fees shall be made to the Court Administrator's Office or Magisterial District Judge, as appropriate, in the manner directed by this chapter within 30 days of the date of the

performed service. Although the County's liability for the payment of fees submitted after 30 days of the date of service shall be controlled by prevailing law, failure to submit requests for payment of fees within the time period set forth herein shall result in the revocation of a constable's privilege to perform judicial duties.

D. Mileage - The following rules shall apply to reimbursement for actual mileage:

1. Actual mileage for travel by motor vehicle shall be reimbursed at a rate equal to the highest rate allowed by the Internal Revenue Service.
2. No constable shall undertake travel in the performance of judicial duties by any mode other than motor vehicle unless prior written consent for the same is authorized by the Court Administrator.
3. In effectuating the service of process and/or warrant, actual mileage for travel by motor vehicle for purposes of the payment of fees shall be the number of miles from the issuing authority's office to the location where process and/or where the warrant is served plus the number of miles to the location of commitment, if necessary, plus the number of miles from the commitment location, or the acceptance of money in lieu of commitment to the issuing authority's office.
4. In effectuating a transportation order, actual mileage for travel by motor vehicle for purposes of the payment of fees shall be the number of miles from the issuing authority's office to the location of the party and back to the issuing authority's office. If the party is to be transported back to a location, actual mileage shall also include mileage for the return trip to that location and back to the issuing authority's office.
5. If, when preparing to transport or during a transport, it becomes necessary to obtain emergency medical attention for the person subject to a warrant, process or transportation order, the constable may seek emergency medical treatment and may count this time towards the time of transportation per the fee schedule set forth in 44 Pa. C.S.A. § 7161, plus any additional mileage to an emergency facility.

E. Hours Worked - All work that calculates reimbursement by the hour shall be rounded to the nearest quarter-hour.

- F. **Second Constable** – When a second constable is utilized in the service of a warrant, the second constable shall also examine the warrant to ensure that service of the warrant is in compliance with the provisions of this Manual. The second constable shall follow all requirements as described in the Manual and will be held to the same standards as the constable who obtained the warrant for service.

V. **Central Warrant Repository**

The Court believes that it would be more efficient and fair and expeditious to have a central repository, clearinghouse, or center for the Judicial District for managing warrants. One department or agency would maintain a complete log of issued and outstanding warrants. The Court encourages all interested parties to work toward that goal.

VI. CONSTABLE CODE OF CONDUCT

- A. Introduction** - A fair and independent court system is essential to the administration of justice. Although constables are not employees of the Commonwealth, the judiciary or any municipal agency, as an independent contractor, they provide services and aid to the judicial process. The provisions of this code shall be applied to further those objectives. All constables performing judicial duties shall observe the standards of conduct set forth in this chapter.
